**OBJECTIVE**

To be an effective voice of the construction industry advocating business-friendly practices, promoting industry development, and fostering a safe and productive work environment in Singapore through the active participation of members companies in the activities of The Singapore Contractors Association Ltd (SCAL).

Widely recognised as the voice of the industry in Singapore, SCAL is well represented in numerous policy-making committees of government and professional bodies by providing members with a platform to engage in regular dialogues with the government, feedback sessions on challenges and issues faced in the construction industry, and conversely for government to consult on regulatory policies affecting the industry.
