MANDAI RAINFOREST
WILD ADVENTURE

Connect. Engage. Celebrate.

SCAL Family Day is a special celebration organised by SCAL to bring together our member companies, their employees and families for a day of fun, connection and shared experiences.

Set against the exciting backdrop of **Rainforest Wildlife Adventure**, the event offers an opportunity for employees and their loved ones to take a break from their busy work schedules, spend quality time together and connect with the wider construction community.

We invite contractors, solution providers, industry partners and businesses to partner with us in making this a memorable experience for the SCAL community.
