CPD/25/A2/310	Singapore Institute of Surveyors and Valuers	Short Course	Certificate in Procurement Management (CPM) 3rd Intake Online 2025	<p>Procurement is a process of acquiring a construction project. Selecting a suitable procurement strategy in consideration of the client's objectives is a key to the success of any construction project.</p> <p>The Certificate in Procurement Management provides the course participants an in-depth understanding of the procurement process for construction projects. It covers tendering procedures and the preparation of tender documents. Topics include traditional procurement methods, design & build, management contracting, two-stage tendering, etc., evaluation and award. Preparation of tender documents including writing of specifications and descriptions for works and services will also be covered.</p> <p>This course will deepen the course participants' competencies in procurement planning and management, enabling them to plan and manage various procurement strategies, from sourcing to purchasing of construction goods and services, to meet project expectations. Collaborative procurement mechanisms such as Early Contractor Involvement (ECI), Collaborative Contracting and other private sector procurement initiatives to promote collaborative procurement will also be covered.</p>	https://sisv.org.sg/event-details.aspx?eventid=3183	Zoom	959.2	17-Sept-25	27-Nov-25	34	34	Nellie Liu	87487515	qs_admin@sisv.org.sg
CPD/25/A2/311	Singapore Institute of Surveyors and Valuers	Short Course	Certificate in Cost Management & Estimating (CCME) 13th Intake (Online) 2025	<p>The design and construction of building projects is highly complex and demanding process involving multiple disciplines such as architecture, civil and structural engineering, mechanical and electrical engineering, quantity surveying and construction. Delivering a project of high complexity within the right cost budget, time schedule and quality is critical in meeting client's project objectives. Cost management and estimating provides project owners, developers, consultants and contractors the certainty and economy of cost over the life cycle of a building with the use of cost modeling, planning and management techniques.</p> <p>The Certificate in Cost Management and Estimating covers the basic principles relating to estimating of items of the works to be undertaken on construction projects. Major topics are quantitative techniques in cost analysis, cost planning and approximate estimating. The principles governing the pricing of items and building up rates for items of works including structural, architectural and M&E works are also covered.</p>	https://sisv.org.sg/event-details.aspx?eventid=3180	Zoom	959.2	3-Jul-25	8-Sept-25	34	34	Nellie Liu	87487515	qs_admin@sisv.org.sg
CPD/25/A2/329	Singapore Green Building Council	conference	Singapore International Green Building Conference Day 1	IGBC-SG 2025 will aim to address the critical levers for decarbonising the built environment, with key topics spanning Whole Life Decarbonisation, Retrofits and Adaptive Reuse, Human-Centric Metrics for Green Buildings, Smart, Data-Driven & AI Optimised Buildings and more. Speakers will bring diverse expertise and experience – from government policymakers shaping Singapore's green building standards, to private sector experts pushing the envelope on built environment sustainability. With multiple learning touchpoints, IGBC-SG 2025 offers a unique cross sectoral platform to translate ambition into actionable pathways	https://igbc.sg/	Raffles City Convention Centre, 80 Bras Basah Rd, Singapore 189560	763	9-Jul-25	11-Jul-25	6	6	Ally Hoon	67970861	events@sgbc.sg
CPD/25/A2/330	Singapore Institute Of Building Limited	seminar	MANAGING RISKS AND ENFORCING RIGHTS IN CONSTRUCTION CONTRACTS: BEST PRACTICES IN CONTRACT ADMINISTRATION AND PAYMENT SECURITY SEMINAR	This seminar offers a comprehensive look at best practices in construction contract administration, with a strong focus on risk management, regulatory compliance, and the effective resolution of common project challenges such as delays, defects, and entitlements. In conjunction with the 20th anniversary of Singapore's Security of Payment (SOP) Act, the session will also delve into the Act's evolution, key legal milestones, and its continued impact on the construction industry's payment dispute resolution landscape. Designed for construction professionals, contract managers, consultants, and legal practitioners, the seminar provides both practical strategies and legal insights essential for successful and timely project delivery.	https://forms.gle/N71kX8kxCMCh7yV6	i-Node at BCA Braddell Campus	85	31-Jul-25	31-Jul-25	3	3	Rohaidah Abidin	94660597	rohaidah@sbj.com.sg
CPD/25/A2/331	Singapore Contractors Association Ltd	seminar	SCAL EHS Campaign 2025	<p>The half-day event designed to bring together government regulators, industry leaders, safety professionals, and more to address the evolving challenges and opportunities in creating a safe and healthy work environment.</p> <p>Key features:</p> <ul style="list-style-type: none">- Engaging keynotes: Gain valuable insights from industry players as they share their knowledge, experiences, and best practices to help you navigate the ever-changing landscape of workplace safety and health.- Panel Discussions: Engage in lively discussions with industry experts and thought leaders, exploring diverse perspectives and sharing innovative ideas.- Networking opportunities: Connect with 400+ industry leaders, regulators and WSH professionals to exchange ideas and forge invaluable partnerships.- WSH Technology showcase: Explore and discover a range of safety products, technologies, and services offered by leading providers to enhance your workplace safety practices.	https://www.scal.com.sg/events/scal-ehs-campaign-2025	BCA Academy, Nexus, Level 7, Block D 200 Braddell Road, BCA Braddell Campus Singapore 579700	70	11-Jul-25	11-Jul-25	4	4	Farhanah	90271959	farhanah@scal.com.sg
CPD/25/A5/332	Singapore Contractors Association Ltd	technical site visit	SCAL WSH Site Visit	<p>Site Visits</p> <p>With the support of SCAL member companies, participants will have the opportunity to go on exclusive guided site visits to observe safety practices in action:</p> <ol style="list-style-type: none">1.
